

# Recipe for a Bedtime Math Family Night

## Main Ingredients:

- Share free Bedtime Math app with families
- Give quick presentation on why Bedtime Math works
- Do a few sample problems
- Print out fun constellation charts or calendars to track how many math problems kids complete

## Extra Sauce:

- Have kids come in PJ's and bring snacks
- Hand out shiny star stickers along with constellation charts or calendars
- Offer childcare for younger siblings
- Offer rewards for kids who bring back completed charts

**Cook up some math fun!**
